

CAREER SERVICES

April 2020

Career Services is here for you

- Meritize Career Services is a **free service** offered to our Meritize family to help with all employment needs.
- We offer interview preparation, soft skills / resume advising, tips on networking, and a job search boot camp.
- We also have a **dedicated placement team** that can potentially help identify job opportunities specific to your needs with companies that are actively hiring.
- Our team would love to consult with you! Sign up for a quick appointment with one of our advisors, and we can determine if any of these opportunities fit your background.

Helpful tips during this time

1. Touch up the knowledge and skills you've learned through your program.
2. Find contacts at companies you are interested in via LinkedIn (not just recruiters). Connect with them and start a casual networking conversation.
3. Polish your resume. Our advisors are here to help!
4. Refine your personal elevator pitch. Who are you? What makes you unique? We can help you think through these questions.
